

By signing this Submission Form, the authors state:

Manuscript JAOS 2540: Fracture toughness of denture-based and relined resins before and after thermal cycling.

Copyright transfer:

In the event of publication of the above mentioned manuscript, we, the authors, transfer to the Journal of Applied Oral Science all rights and interest of the manuscript. This document applies to translations and any preliminary presentation of the contents of the manuscript that has been accepted, but yet not published. If any authorship modification occurs after submission, a document with agreement of all authors is required to be kept by the Editor-in-Chief. Exclusion of authors may only be accepted by his/her own request.

Responsibilities of the authors: I hereby state that:

The content is original and does not consist of plagiarism or fraud;

The work is not under consideration or will be submitted to other journal until a final decision is issued by this journal;

I have effectively contributed to this work and am familiar with its contents;

I have read the final version and assume the responsibility for its contents. I understand that if the work, or part of it, is considered deficient or a fraud, I take shared responsibility with the other authors.

Release of conflict of interest:

All my affiliations, corporate or institutional, and all sources of financial support to this research are properly acknowledged, except when mentioned in a separate letter. I certify that do not have any commercial or associate interest that represents a conflict of interest in connection with the submitted manuscript.
